

Flexible PCB

Product No.: W704908AS1Y22

| | | | |
|--------------------------------|---|--|-----------------------|
| PCB Type : | Flexible PCB | Board type : | Panel by PCBWay |
| Size : | 190 x 160 mm | Quantity : | 10 |
| Layer : | 2 Layers | Material : | Polyimide Flex |
| FPC Thickness : | 0.08 mm | Min track/spacing : | ≥ 0.06mm |
| Min hole size : | ≥ φ0.15/0.35mm | Solder mask (Coverlay) : | Yellow Coverlay |
| Silkscreen : | White | Edge connector : | No |
| Stiffener : | without | Different design in panel : | 1 |
| Surface finish : | None/Plain copper | Finished copper : | 1/3 oz Cu (12μm) |
| E-test : | 100% | 3M/Tesa tape : | Tesa8853 onesided TOP |
| | | Date code : | None |
| Conductive double sided tape : | without | | |
| EMI shielding film : | without without | PO No. : | |
| Manufacturing : | Please place adhesive in User:Eco1 layer. Please leave off surface finish. Please use rolled annealed copper. | Customized Services and Advanced Options : | UL marking:None, |
